

ABOUT

SAMANTHA PARADEE

Over the past 15 years Samantha Paradee has dedicated her life to the growth and development of cheerleading across the province of Alberta. Her passion was lit with pom poms in her hands on the sidelines of her high school football and basketball games. Little did she know that this would lead her on an extensive path of learning and result in her undertaking a large number of roles within our community - gym owner, school program director, all-star coach, school coach, judging director, supervisory judge, electronic tabulation champion, committee member and board member to name a few.

Samantha currently owns Peak Elite Cheerleading and directs the Coalbanks Elementary School program located in Lethbridge, AB.

Samantha Paradee won the ACA Outstanding contributions Award in 2018 at 28 years old and looks forward to contributing many more years and time to Alberta cheerleading community.
